

CAL POLY

April 1, 2025

Victor Xie
1516 Buena Vista Ave Apt A
Alameda, CA 94501-1218

Congratulations Victor,

Our answer is, yes! You did it! You applied, we accepted and so it is my privilege to offer you conditional admission to the fall 2025 quarter at Cal Poly, where Learn by Doing has inspired and guided students toward lifelong success since 1901. (And where 95% of Mustangs are employed or in graduate school within 9 months of graduation.)

In the Computer Science major, you will apply your knowledge and skills to real-world challenges, gaining valuable hands-on experience. By your side, you will find a diverse cohort of confident problem-solvers and a community of scholars dedicated to helping you reach your fullest potential, while pursuing solutions to humanity's pressing challenges.

Exciting! Join our Mustang family. Anxious? Reach out. We want to make the transition to university life a smooth one.

Again, congratulations. Welcome to Cal Poly, where you have every opportunity to Learn by Doing, and to make a successful life for yourself and a brighter future for all.

Melissa L. Furlong
Executive Director
Admissions and Enrollment Development
